| <p data-bbox="107 225 327 296">Year 2 Term 5.<br/>Walk the plank!</p>   | <p data-bbox="416 150 741 635">Outdoor PE will be focused on orienteering teaching the children how to follow a trail. Understand and following a map and look at a birds eye view. Indoor PE will be developing their gymnastic skills linking movements together, continuity of movement and making up their own sequences.</p> | <p data-bbox="779 272 1346 512">Our focus this term is Geography. Through the topic of pirates, the children will learn the five oceans and recap their knowledge of the continents. They will compare the UK and South America and will look more closely at the similarities and differences of Dartford and Port Royal in the Caribbean.</p> | <p data-bbox="1391 252 1816 528">PSHE will consist of physical health and well being learning about routines and habits to keep themselves physically and mentally healthy. Discussing why sleep is important and reviewing medicines, immunisations and dental health.</p>  | <p data-bbox="1850 236 2175 544">The children will be performing pirate chants and sea shanties focusing on the tempo and beat of the music. They will be writing their own notations and playing them on musical instruments.</p> |
| Art / DT   | Computing   | RE  | Maths  |  |
| <p data-bbox="53 762 383 1034">This term, the children will learn about the artist J M W Turner and look closely at his marine paintings. They will then recreate the artwork by mixing paints and creating shades and tints.</p>  | <p data-bbox="416 810 741 986">We will continue to learn how to search safely on the internet and learn how to tell if information we find is true.</p>   | <p data-bbox="779 831 1099 970">This term, our topic is Judaism - 'Who is Jewish and what do they believe'.</p>   | <p data-bbox="1137 831 2168 970">We will be learning what a fraction is. We will learn that a fraction is an equal part of a whole. We will learn what half and quarter is and what it looks like in a shape and of an amount and then count in halves and quarters. Finally we will learn about unit and non unit fractions.</p>        |  |
| English  |   |   | Science  | Termly School Value  |
| <p data-bbox="53 1177 1099 1417">Our English topic this term never fails to spark children's imagination as they start to explore and learn about pirates. Our focus author will be Jonny Duddle taking the children to faraway lands and to the seven seas where pirates rule. Their writing will include stories to entertain readers, letters complaining about the pirates that live next door, fact files about pirates and a recount following a visitor from a mysterious pirate....Will they be able to tell us all about the visitor and what happened?</p> |   |   | <p data-bbox="1137 1182 1816 1369">We will be learning about plants this term. We will describe the basic needs of plants for survival and the impact of changing these and the main changes as seeds and bulbs grow into mature plants. We will use our observation skills to describe how seeds and bulbs grow into mature plants.</p> |  |
