The National Tutoring Programme – Tuition Partners

Dear Parent / Guardian,

We are writing to let you know that your child’s school is participating in the ‘The National Tutoring Programme - Tuition Partners’ (the TP programme). The TP Programme provides subsidised tuition for pupils needing additional support during the 2020/21 academic year as a result of the school closures due to the Covid-19 pandemic. The programme is being funded by the Department for Education and managed by the Education Endowment Foundation (EEF). FFT Education and out tutoring programme – FFT Tutoring with the Lightning Squad - are the Tuition Partner responsible for the delivery of the tutoring sessions in your child’s school.

A consortium led by National Foundation for Educational Research (NFER) is evaluating the National Tutoring Programme to find out if it has an impact on children’s attainment and to identify ways to improve tuition delivery in the future. To that end, your child’s school will share data about your child with us (the tuition partner), and with the Evaluators. The privacy notice (available here <https://fft.org.uk/fft-tutoring-information/>) summarises what personal data will be collected, and how this data will collected, used, shared and protected. We, as well as the Evaluator, have robust procedures in place to make sure that we comply with the requirements of GDPR.

If you are happy for your child’s data to be used for this evaluation, **you do not need to return the reply slip**. However, if you would prefer your child’s data not to be shared, stored and used for the evaluation of the National Tutoring Programme, please complete the form below and return it to your child’s teacher within one week of receiving this letter. If you would like to withdraw your child’s data from the evaluation at any subsequent stages please inform your child’s teacher.

If you have any queries please contact us via email at tutoringsupport@fft.org.uk

Yours sincerely,

Alia Hatton
School Tutoring Coordinator, FFT
